**Apartment**

**One should reduce, cut  
and renounce.**

**One should live in  
workers' dormitories  
and travel to work by  
public transport.**

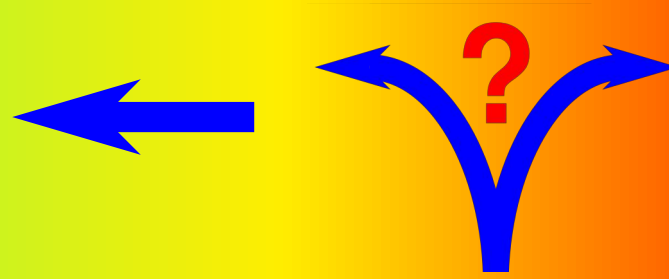

**House**

**Sure, if I could afford it.**

**But, if it would be the  
cheapest solution?**

**Cheap area**

**Expensive area**

**Car absolutely  
necessary, cost and  
time to drive.**

**Everything nearby,  
bike and  
public transport  
can be used.**

**But home office, self-  
driving cars and electric  
car with self-made  
electricity charging  
changes that.**
